PURPOSE OF PARENT HANDBOOK

Welcome to McGaughey Elementary School! We intend for each of our families to feel a full part of our school community. Part of our responsibility is to provide families with the information needed to smoothly interact with their school. Mt. Zion School District # 3 does an excellent job of providing pertinent information to our families in the Mt. Zion District No. 3 Handbook/Calendar. This information helps our new families transition into our district and helps our present families stay informed on district policies and events. The handbook in hand is not intended to replace that guide but merely to provide information that specifically relates to McGaughey Elementary School. Certain information not found in the district handbook may be found here. Likewise, information not found within this handbook may be accessed through the district handbook, located at www.mtzschoools.org or by calling our school office @ 217-864-2711.

RECESS

Outside Recess

- Recess will occur before school and during the lunch hour.
- Students will go outside except on days when the wind chill and/or temperature is below 25°.
- Students should dress appropriately for outside play and physical activity. Winter coats, hats, and gloves are needed.
 - It is very helpful if items are labeled with student names as they are easily misplaced.
- All students are expected to follow the playground rules at all times
 - Swinging on bottoms only
 - No jumping from bars or equipment
 - Children must slide down the slides on their bottoms, feet first
 - No climbing up the slides
 - No throwing wood chips or rocks
 - Kindergarten students must stay inside the fenced area

Inside Recess

- Students will be kept inside on days of inclement weather.
- Inside recess will occur in the classroom, and will be monitored by the playground supervisors.

PBIS (Positive Behavior Interventions and Support) & DISCIPLINE

PBIS is a proactive approach to school-wide discipline. This initiative is meant to reinforce the positive behaviors of students doing what is expected of them as well as support students who need extra assistance. Our PBIS mission statement is “Teach appropriate behavior before negative behavior occurs; be proactive rather than reactive. Use clear, consistent expectations, language, and routines. Teach behavior like we teach academics”. The staff of McGaughey is focused on working with students and families to promote positive behavior in all school settings. We have adopted the McGaughey 3 R’s as our school-wide expectations. All students will learn and practice the 3 R’s: Be Ready! Be Responsible! Be Respectful!

PBIS focuses on acknowledging students for consistent positive behavior; it does not just focus on misbehavior. Routines and language with respect to appropriate school behavior are consistent throughout the school. All students are rewarded with school-wide celebrations after reaching predetermined goals.

Teachers have individual classroom management plans that manage student misbehavior. All staff issue warnings prior to any consequence. If inappropriate behavior continues, teachers may require that the student take a brief time out. In cases of severe/chronic misbehavior or disruption to the learning environment, students may need to be referred to the principal and a discipline referral form will be completed. Parents are notified of all discipline referrals. The principal will determine appropriate consequences on a case-by-case basis. Please refer to the Mt. Zion District No. 3 Handbook/Calendar for more details on the district’s discipline policies. Parents, teachers, and the principal will work together as a team to manage student behavior.

Family support plays a vital role in the safety and social development of our students. Please talk with your child often about how the McGaughey 3 R’s can be displayed at school, home, and within the community. At the back of the handbook, see the school-wide 3 R’s and the common language our staff uses to teach the 3 R’s.

COMMUNITY CLUB

The Mt. Zion Elementary Schools Community Club is the parent/teacher organization for McGaughey Elementary, Mt. Zion Grade School, and Mt. Zion Intermediate School. All parents with a child in PreK-6th grade are considered valued members of the Community Club. The main purpose of this association is to provide the schools with a volunteer base for events, projects and fundraising; assist teachers and staff as needed; and make the schools an enriching family environment.

Specific details regarding Community Club can be found on the school website or by contacting McGaughey Elementary School.

FUNDRAISING

McGaughey Elementary will participate in fundraising throughout the year. A direct portion of fundraising efforts is given to each teacher to assist them in purchasing supplemental educational materials and supplies. The remaining amount is used for various special events and

projects, such as school assemblies, beautification projects, family nights, and supplementing our professional development resource center for teachers. Family participation in fundraising efforts is greatly appreciated, but always optional. McGaughey may also participate in charitable fundraisers, such as Jump Rope for Heart and United Way Penny Drive.

PARTIES & SPECIAL EVENTS

- Birthday celebrations are welcome in the form of treats provided for all classmates. Board policy prohibits the distribution of treats to all students that are not store/bakery bought. We must refuse any homemade treats and ask that they be taken home. In addition, food allergies may prohibit certain kinds of treats for a classroom.
- Classroom parties occur in December for the Holiday party and February for the Valentine's Day party.
- Deliveries of flowers, candy, balloons, etc. to students will not be accepted at any Mt. Zion School District building.

SNACKS & BIRTHDAY TREATS

PreKindergarten & Kindergarten Snacks

- PreKindergarten & Kindergarten students have a snack daily.
- Only store bought snacks can be provided.
- Snacks will not contain any nut products due to allergies.
- Snacks will be healthy and easily managed with minimal mess.
- Snack time is an educational opportunity for students to practice table manners, cleaning up after themselves, and appropriate table talk.

Birthday Treats

- Parents are asked to send treats that are fairly healthy and easily managed.
- No red drinks are allowed.
- Cupcakes are discouraged as we find most of our students have difficulty eating these or can only eat a small portion, and the mess can be very difficult to clean up. If your child wants to bring cupcakes, we encourage the mini size for our young students.

FIELD TRIPS

- Each classroom takes field trips that enhance the learning experience.
- Written permission is required to attend any field trip outside the district boundaries.
- Students are required to ride the transportation provided by the district (to and from the field trip).
- Parent requests to transport your child must be provided to the principal in writing 24 hours prior to the trip. Permission for parent transportation can only be granted by the principal.

DRESS CODE

Students at McGaughey should wear clothing that will encourage play, safety, and comfortable learning. Please follow the guidelines below.

- Refrain from wearing items of clothing that reveal backs and midriffs.
- Shorts, skirts, and dresses should be fingertip length.
- Girls should wear skorts or shorts under a skirt/dress. Recess activities will be limited if a student is wearing a skirt/dress without shorts underneath.
- Tennis shoes must be worn for PE every day. Students will be asked to sit out due to safety risks if they do not have tennis shoes.
- Avoid flip flops due to safety risks at recess. Students' recess activities will be limited if they are wearing flip flops.

PERSONAL PROPERTY

- Label your child's backpack and lunch box and all other school supplies.
- Keep all personal entertainment/electronic and other personal items at home unless specifically requested by your student's teacher.
